Community Meeting Notice, Parks and Open Space Rezoning
Meeting Location — Wayzata City Hall (Community Room),
600 Rice Street E**

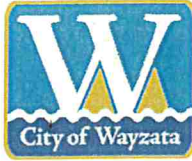

March 10, 2022

NOTICE IS HEREBY GIVEN that a community meeting will be held on Thursday, March 10 from 5:00pm – 6:00pm at Wayzata City Hall (600 Rice St E) to discuss the proposed rezoning application of properties around Wayzata to a new zoning district, Parks and Open Space. Currently, all of Wayzata’s park properties and city-owned open space are zoned for residential use, commercial use, or Planned Unit Development. To protect and preserve these properties from any future development, Wayzata is proposing to rezone all of the properties to Parks and Open Space. The map below shows the properties proposed to be rezoned. Once the City has received community input the rezoning application will go to the Planning Commission and City Council for review. Members of the council, planning commission, other boards and commissions, and city staff may be present.

For questions regarding this meeting, please contact Emily Goellner, at 952-404-5312.
