WAYZATA PARKS & TRAILS

MISSION STATEMENT
Provide recommendations to the City Council for the preservation, protection, enhancement and promotion of a healthy park and trail system for all community members and visitors.

WAYZATA BEACH AND MARINA
Spend some time lounging on the sandy beach or take a leisurely stroll to adjacent Shaver Park. Bring the family and enjoy a picnic with playground equipment nearby. Lifeguards are on duty from early June through mid-August, typically from noon - 6 p.m. when weather conditions allow.

WAYZATA DEPOT AND DOCKS
Wayzata’s historic train station is a favorite gathering place for residents and visitors. Enjoy the park area and gardens with the great view from the lake overlook platform. Also, the restored streetcar boat Minnehaha and other charter boats make scheduled stops for passengers at the Depot docks.

BIG WOODS PRESERVE
A place to enjoy native wildflowers and spectacular fall color, this passive park is a remnant of the hardwood forest that once covered much of the region. A rustic path invites visitors to walk through the 14-acre site.

KLAPPICH PARK AND FIELD
Popular all year long with baseball, playground and picnic areas in the summer and hockey and skating in the winter. A warming house and outdoor fireplace enhance enjoyment even in the cold weather.

LUCE LINE STATE TRAIL
From the Plymouth trailhead, this 63-mile state trail for hiking, biking, horseback riding, cross country skiing or snowmobiling passes through scenic areas in Wayzata and continues west.

CHILDREN’S GARDEN AND CITY HALL PARK
On the north side of the Wayzata Library, this small flower garden is a special place for story time. The park on the south side offers a spectacular all-season views of Wayzata Bay and beyond.
