

The following uses are exempt from the seasonal restrictions on water use in this section:

1. Vehicle washing and the watering of trees, shrubs and flowers only if conducted by a person holding a squeeze-activated type nozzle equipped with an automatic shutoff.
2. Watering of new landscaping, sod or seed within 30 days of installation, except between 12:00 p.m. and 5:00 p.m. daily.
3. Watering from a source other than the City's water supply. Under this exemption the City may inspect the property watered and the source of water used to ensure compliance.
4. Watering by employees and agents of the City in such instances where lawn, turf or grass used for playfields or other plantings and areas owned or operated by the City require more frequent watering to prevent damage thereto.
5. Reasonable and intermittent use of an outdoor watering system exclusively for residential recreational uses.
6. Upon written request and approval of the Director of Public Service and subject to any terms and conditions imposed by the Director of Public Service with respect to the approval, any person owning or operating a commercial or business enterprise whose economic well-being is dependent on sprinkling, irrigation or watering of lawn, grass or turf owned, leased or operated by it. Such exemption shall only apply to the property specified in the written approval.
